Weight	319 g (without cable)
Accessories	φ 6.3 mm stereo plug adapter (threaded type), USB charging cable
Warranty	1 year

DJ IN THE CLUB AND MONITOR ON THE MOVE

BLUETOOTH® WIRELESS TECHNOLOGY

Pair the headphones with your Bluetooth device to easily monitor music in any situation – whether you're at home or on the move – and connect the included cable for comfortable DJing in the club.

WELL-BALANCED, DYNAMIC SOUND

Hear every nuance in your tracks. High-resolution, well-balanced tuning and bass reflex chambers in the housings allow the airflow to deliver excellent bass response and sound insulation.

HIGH-QUALITY AUDIO SUPPORT

Listen to crystal-clear audio. The Qualcomm® aptX™ audio codec is supported as well as AAC and SBC for high-quality sound, even when listening wirelessly.

LASTING DURABILITY

Hit the road with confidence. The headphones are rigorously tested and have cleared the US Military Standard MIL-STD-810G Shock test*1 as well as our own demanding stress testing.

FLEXIBLE FUNCTIONALITY

Find your perfect fit – no matter how you wear your headphones – thanks to the housing design, swivel mechanism and flexible headband inherited from the predecessors in the HDJ-X series.

BUILT-IN MICROPHONE

Talk hands-free on calls when the headphones are connected to your phone.*2

*1 MIL-STD-810G METHOD 516.7 SHOCK compliant.

*2 You can use these headphones for phone calls if the Bluetooth-compatible phone (cellular phone, smartphone, etc.) is compatible with the HSP or HFP Bluetooth profile.

*3 Transmission distances are a guideline. Transmission distance may change depending on the surrounding environment.

*4 Sometimes less depending on the conditions of use.

AVAILABLE IN THREE COLOURS

Choose from metallic black (HDJ-X5BT-K), metallic red (HDJ-X5BT-R) or gloss white (HDJ-X5BT-W) versions to match the style of your gear and your look.
